

District 1 News

-Kary Towne, VSSNA District 1 B, C Rep

ktowne@sbschools.net

VSSNA: Don't forget to register for the Spring Conference, May 2. The brochure is attached for your convenience. Hope to see many of you there.

NASN: The National Conference is in Boston in June -- There are already over 300 school nurses registered. Don't miss this opportunity so close to home. Go to their website for more information--

www.nasn.org. While you are on this website, note that NASN is looking for trainers for 2 of their new programs: School Emergency Triage Training (SETT) and School Nurse Childhood Obesity Prevention Education (SCOPE). This is a great opportunity and in the past there have been several VT nurses chosen for their training programs. Consider applying !

Congratulations to Stacey Cheney, LPN at South Burlington High School. She will be returning to school in the fall pursuing her RN degree. She was one of 3 recipients of the New England Federal Credit Union Nursing Scholarships. Congratulations, Stacey.

District Meeting and CPR / AED Recertification: I have scheduled a district meeting for Wednesday, May 6, at Tuttle Middle School. Sara Moran, our VT Department of Health Liaison will speak at 4 pm - *Update on Latent TB for School Nurses*. Since it is also **National School Nurse Day**, we'll celebrate with light refreshments. For those of you who wish, I will offer a CPR/AED recertification after Sara's talk. I expect it will start by 5 and take less than an hour. Please RSVP so that I will have enough equipment for everyone and can send you information to review in advance.

For those of you who do bulletin boards the American Academy of Allergy, Asthma and Immunology has a wide range of resources for this time of year. <http://aaaai.org> Mental Health Awareness Day is on May 7 -- NASN has a link to many resources on this topic (www.nasn.org).

Stay Healthy!
